

Dear Kian,

We are extremely busy here in the North Pole getting things ready for our Christmas deliveries. It won't be long before the reindeer and I will be flying into Horwich to deliver your presents.

The elves have been working very hard checking our list of good boys and girls and I was really pleased to see that you and Evie-Mae were on it. I also hear that you are doing really well at your new school. Keep it up!

I can see from my Christmas Wish list that you would like a new bike this year. That sounds like lots of fun! As you have been so good, I will do my best to make sure that you get what you have wished for.

Anyway, I'd best go as my Chief Elf has just been in to tell me that they've got a bit carried away and have accidentally wrapped up Rudolph's antlers! Don't forget to leave some carrots out for him and the other reindeers on Christmas Eve. Mrs Claus has told me not to eat too many cookies and mince pies this Christmas, as my favourite red suit is getting a bit tight!

P.S Please keep getting up for school on time, I've been really impressed with you in a morning lately!

Love Santa x
